**ORDER**

This civil matter is before the Court on a Report and Recommendation ("R&R") entered by United States Magistrate Judge Debra C. Poplin on May 20, 2024 [Doc. 12]. In the R&R, Judge Poplin recommends that the Court dismiss plaintiff's complaint for a lack of subject-matter jurisdiction. There have been no timely objections to the R&R, and enough time has passed since the filing of the R&R to treat any objections as waived. *See* 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 6(d), 72(b).

After careful review of the matter, the Court agrees with the magistrate judge's recommendations. Accordingly, the Court **ACCEPTS and ADOPTS** in full the R&R [Doc. 12] pursuant to 28 U.S.C. § 636(b)(1). Accordingly, it is hereby **ORDERED** that plaintiff's case is **DISMISSED** for lack of subject-matter jurisdiction. The Clerk is **DIRECTED** to **CLOSE** this case.
